

2019 BSP Community Contributions

Boisen Secondary School Students

COMMUNITY

We respect, value and support the communities in which we operate.

K5.5m

Total amount invested in Corporate Social Responsibility.

This includes Sponsorships, Donations and Community Projects from **BSP Groupwide**.

Investing in PNG and the Pacific

BSP delivers more than just banking to the communities, customers and the countries that we operate in. We deliver balanced and sustainable outcomes for our customers, community, people and shareholders.

We respect, value and support the communities in which we operate in. At the core of our business, we know that, our people belong to a bigger community.

In 2019, BSP's Corporate Social Responsibility (CSR) contribution was over K5.5 million including sponsorships and donations as a group.

Our Community Projects

As part of the communities we live in, we would like to build these relationships and strengthen our community involvement. BSP Community Projects initiative provided an avenue for each of our branch staff to contribute to make a difference. Since its inception in 2009, we're proud that every Branch Manager, Head of Department and Senior Manager and their teams have made a personal commitment to this program, devoting their own time, backed by all the resources of BSP.
