We recognise that as the dominant bank we have a special responsibility to our customers and the communities of which we are both a part of.

Our responsibility is an integral part of our strategy and our approach to corporate social responsibility initiatives. It is integral to our strategies for growth and development and is our committed approach to Corporate Responsibility.

We believe in the values of people, community, leadership, teamwork, professionalism, quality, integrity, respecting the fact that as a leading financial services provider in our chosen markets - we belong to communities. Our people, our customers, staff, shareholders and communities prosper when we give back.

We are using our branches and our people in line with this thinking - as agents of change.

BSP is committed to supporting quality initiatives with sustainable outcomes and does so through supporting partnerships, sponsorships, donations, community projects and voluntary work with charities and community organisations.

Our Contribution to Sports

We have grown from strength to strength and so have our partners who deliver life changing and development projects to communities.

The BSP School Kriket Program is the longest serving junior sport development program that BSP has supported.

This multiple award winning program, has produced some of the country's best players and reached over **580,000** children in over a thousand schools since 2017.

We supported the Rabaul Rugby League Select Side U/14 boys, U/16 boys and U/18 boys and girls teams with K40,000 in 2021, covering jersey sets, sports equipment and an upgrade of the sports field.

Our Sponsorships & Partners

K1.4m
Sponsorships

Banking and delivering financial services to our chosen markets has given BSP the most unique opportunity to reach more communities than any other bank or financial services provider can. Our reach takes us to the most remote areas of Papua New Guinea and other Pacific Island countries that BSP operates in.

Our Donations

K1.5m
Donations

Supporting worthy causes.

BSP is committed to delivering financial services to all countries and communities that we operate in. It is our belief that when our communities prosper, our ecosystem thrives, and our customers, stakeholders, shareholders and businesses remain profitable.

Our donations reach organisations, charities, community groups and other worthy causes that contribute meaningfully to improving lives. It is our hope, that we are able to enrich and empower for the better.

Our Community Projects in 2021

Investing over **K1.5 million** in the communities in which we operate. Improving everyday lives, making our communities prosper.

BSP's goal-orientated events and community projects organised on a regular basis, can benefit communities and change lives. Each of our Branches, Strategic Business Units, Subsidiaries and Off Shore Branches give back to their local community through BSP's Community Projects. Our staff volunteer their time, to contribute in community work to deliver a project for their chosen community. Whether it be refurbishing a classroom, installing new tanks, donating desks, maintaining a basketball court, or even installing new wash basins to promote washing of hands, as our response to combat the spread of COVID-19.
