

GENERAL

1 What is BSP Visa Alert?

This is a service offered by BSP and powered by Visa which allows our Visa cards holders to receive alerts via a SMS text or Email for certain transactions performed using their card.

2 How does BSP Visa Alerts work?

Once you have successfully registered, each time your Visa card is used to perform a transaction that meets one of the transaction types selected per point 6 you will either receive an SMS text and/or Email to the mobile number and/or Email address that you registered. The alert is issued soon after you process the transaction (near real time).

3 How do I register for BSP Visa Alert?

You have to register for the service by logging into your personal internet banking account and if you have a Visa card linked to your account there will be a BSP Visa Alerts option. Click on the tab and you will be taken straight to the registration screen where you complete the details. On completion of successful registration you will either receive an SMS text and/or Email to the mobile number and/or Email address that you registered advising accordingly.

4 I don't have access to Personal Internet Banking, how do I register for the service?

To register, **Click Here** to access the Internet Banking Application Form, Print it out, fill in your details and submit the completed form through one of the following;

At your nearest or local branch.

Fax to: (675) 3211954

Scan and email servicebsp@bsp.com.pg

5 Who is eligible to apply for a Visa Alert?

Anyone who has a Visa Debit card that is linked to an account.

6 What type of transactions can I receive alerts for?

There are six types of transaction alerts and they are:

1. Decline
2. Gas/Fuel purchase
3. International (out of country)
4. ATM withdrawal
5. Card Not Present (includes Internet, Mail Order, Telephone Order and recurring payments)
6. Purchases over a certain Kina amount.

Only one alert will be issued if a transaction satisfies more than one alert, e.g. if a International transaction is performed and it is declined then only the Decline alert will be issued as it has a higher priority.

7 Why is it important for a customer to have this service?

It will help you keep track of your transaction(s) and alert you should any unauthorised use of your Visa card occur.

8 How much do I pay for the service?

There is no BSP customer charge for this service, however you be liable for any applicable charges from your mobile or email provider.
