## COMMUNITY PROJECTS IN PAPUA NEW GUINEA

Mendi Branch constructed a new basketball court for the Taguru community

**Our contribution to the Pacific is focused on delivering valuable and lasting changes for our people and the communities we operate in. In everything we do, we strive to be a good corporate citizen and to encourage community involvement through staff volunteering and lending a helping hand where and when we can.**

We are able to deliver Community Projects, We Sponsor worthy organisations and initiatives, We donate to causes that help change lives, We teach children about taking care of the Environment and We reach out to deliver Financial Literacy and Banking Education Programs. We are pleased that our reach in community initiated projects, donations, sponsorships, professional and cultural events; Sports and Environment make a difference each year.

We are not just a Bank and not Just a Brand! We are You, We are People, We are Culture, We are friends, We are Community and We are Pacific!

Students at St. Theresa Primary School taking part in the BSP Go Green Program.

At BSP, we care about promoting sustainable business practices while supporting economic growth in the countries we operate in. This is one of the reasons why we live to be the Greenest Bank in the Pacific. We embrace a balanced approach to business and to ensure that we educate our young generation to be mindful of litter and cleaning up our local environment.

“BSP’s Go Green Message is simple; Reuse, Recycle and Respect.”

The Annual BSP Go Green Clean Up Day held each year is one of BSP’s biggest Go Green Event that is held Pacific wide. It gives the opportunity for our communities, customers, employees and shareholders to step forward and join the clean-up, while at the same time spreading the message of responsibility to change mindsets.
