and Datec have  
combined to make  
possession of your  
very own personal  
computer an  
affordable reality

*datec*

# Are you keeping up with technology?

Do you want worldwide communication and Internet access? Why not buy a personal computer!

A BSP Personal Loan can offer you the opportunity to purchase a personal computer, digital camera or similar type equipment through a mutual arrangement with Datec Ltd countrywide.

## Benefits

Competitive Fixed Interest Rates

Fast Loan Approval

Fixed repayments structured to suit your income.

Your monthly repayments remain the same throughout the life of the loan giving you peace of mind of being able to budget your money with certainty.

Loan proceeds are paid to Datec to make it easy to collect your Computer.

## Our requirements

Steady employment with a regular income sufficient to meet loan repayments.

## We are ready to help

To apply for your personal loan or to obtain more information please contact our Personal Sales Assistant on **325 9166** or talk to any of the Datec Sales Staff both of whom are ready to assist with your loan and computer purchase. Our staff will discuss the options available to you and explain our requirements in more detail.
