

ADD PAYMENT DESCRIPTIONS TO CUSTOMER STATEMENTS

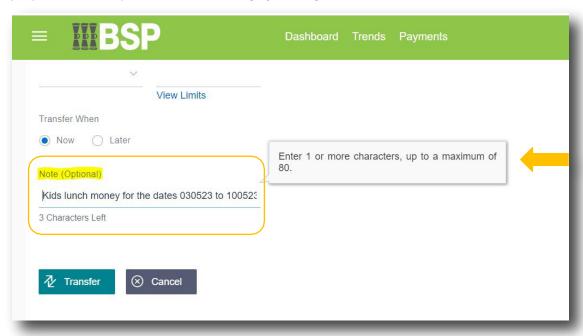

Use this Quick Reference Guide to:

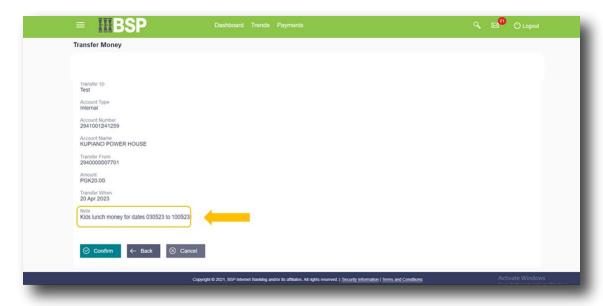

Add payment descriptions to an Internal Transfer or Domestic Payment to easily identify transactions in your customer statements.

Internal Transfer to Another BSP Account

Add the payment description to the 'Note (Optional)' field to describe the internal transfer.

The payment description appears in the 'Note' field when confirming the internal transfer.

This information then appears on customer statements in the 'Description' field.

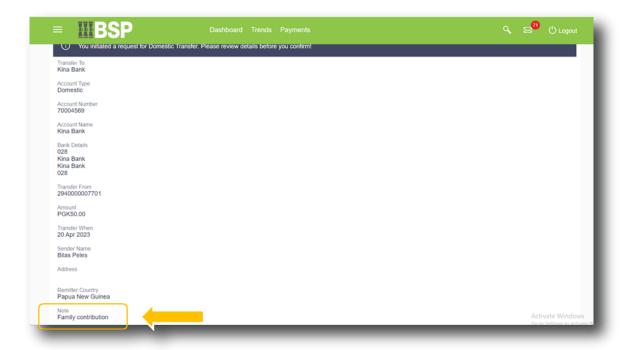

Domestic Transfer Payment

Add the payment description to the 'Note (Optional)' field to describe the Domestic Transfer.

Quick Reference Guide: Add Payment Descriptions to Customer Statements

The payment description appears in the 'Note' field when confirming the Domestic Transfer.

This information also appears on customer statements in the 'Description' field.
