You may contact any BSP Branch or our Customer Care Centre to amend or increase your card limit.

5 THE PIN

5.1 PIN Issuance

The Cardholder will create a PIN known only to the Cardholder. The PIN can be four (4) to six (6) digits and can be created at any branch.

A new PIN will not be generated with a renewal Card, on expiry of the Card. The Cardholder will use the existing PIN with the renewal Card.

Where there Cardholder is given a replacement Card, due to loss, theft or damage, a new PIN will be created at the Branch when issued with the replacement Card.

5.2 PIN Change

The Cardholder may choose to change the PIN at any time using a BSP ATM that provides the PIN change option.

The Cardholder must take all reasonable precautions to keep the PIN private and confidential and not disclose it to anyone. To maintain the security of the PIN, the Cardholder must:

- memorise the PIN and destroy any written record of the PIN;
- not record or keep a record of your PIN on, near, or with your Card;

- BSP Customer Care Centre using contact details at the end of this document;

Upon notification, we will cancel the Card. The same prescribed form can be used to order a replacement Card at any of our BSP Branches.

7 HOW TO USE THE CARD

7.1 General Usage

The Visa Debit Card can be used at ATMs and Merchants throughout FIJI, overseas, over the telephone and online, wherever the Visa and/or Visa Plus symbol is displayed.

When using your card to make a transaction at an electronic banking terminal, you authorise us to act on the instructions entered into the terminal.

When making a purchase at an electronic banking terminal you should ensure that the transaction amount is correct before entering your PIN; signing; or consenting to authorise the transaction.

The table below shows how you can use your Card:

PURCHASE GOODS OR SERVICES	
At BSP merchants	By either inserting or touching the Card at the EFTPoS and entering your PIN.
At non BSP merchants outside of Fiji	By either inserting or touching the Card at the EFTPoS and entering your PIN or signing the transaction slip (where applicable).
Over the phone	By quoting the Card number, customer name, Card expiry date and if required the Card security Code.
Over the internet	By quoting the Card number, customer name, Card expiry date and if required the Card security Code.
WITHDRAW CASH	
Using BSP ATMs	By selecting the "cheque" or "savings" button and entering your PIN.
Using non BSP ATMs overseas	By selecting the "credit" button and entering your PIN.

The Cardholder must not use the Card for any unlawful purpose, including the purchase of goods and/or services prohibited by the laws of the country the Cardholder is in. The Card must be used wholly and exclusively in accordance with these Terms and Conditions and any other of our Terms and conditions applicable to this Facility or the transaction conducted under it.

7.2 Using your Card at Merchants and Financial Institutions

Your Card will normally be accepted at any Merchant or financial institution displaying the Visa and/or Visa Plus logo. Depending on the Merchant and Card limit, you may also be able to withdraw cash in addition to the purchase of goods and services.

The fact that the Visa and/or Visa Plus logo is displayed by any financial institution or Merchant is not a guarantee that all goods and services available at the merchant can be purchased with your Card.

Unless otherwise required by law, BSP does not accept any liability:

- (a) if any financial institution or Merchant displaying a Visa and/or Visa Plus logo refuses to accept your Card; or
- (b) for goods or services purchased with your Card.

Any complaints about goods or services purchased with your Card must be resolved directly with the Merchant concerned. Daily spend limits for ATM withdrawals and EFTPoS purchases apply and vary according to the type of Card you hold. The daily spend limit for each Card is subject to our approval and we may change it for a particular Card at any time.

Some Merchants may impose cash withdrawal limits on EFTPoS transactions. BSP does not have any control over these imposed limitations and is not responsible for any loss, damage or costs you may incur as a result of these limitations.

7.3 Using your Card on ATMs in Fiji

We may allow you to access cash through ATMs based on the appropriate limit when applying for the Card.

Your Card may be accepted at any ATM displaying the Visa and/or Visa Plus symbol. Depending on which ATM functionality you use, you may be able to use your Card to withdraw cash or make a balance enquiry.

ATMs may have different transaction limits to the card limits. This means you may have to make two or more transactions before the card's limit is reached.

7.4 Overseas Remittance Limit

Your Card should only be used for miscellaneous requirements. It is not meant to be used for business import, business service payment, business capital repatriation, other similar type business obligations or personal capital repatriation. The use of your BSP Visa Debit Card to pay for goods and services outside of Fiji is considered an overseas remittance. Under the Exchange Control Act 1950, the Reserve Bank of Fiji Act 1983 and Stamp Duties Act 1920 (as amended from time to time);

- There are Balance of Payment reporting requirements which must be satisfied.
- Business entities and individuals are prohibited from remitting overseas more than FJD\$120,000 per calendar year (or such lesser limit as may be imposed by law) for non-import payments without a tax Clearance Certificate.

As such, BSP is obligated to; monitor your card usage, make enquiries into remittance activities, request supporting documentation, and ensure the timely completion and lodgement of prescribed forms. Failure to comply could result in your card services being suspended or withdrawn.

7.5 Using the Card at ATMs outside Fiji

Visa is a worldwide network through which Cardholders can withdraw cash and/or pay for goods and services using their Card.

To access cash at overseas ATMs, select the 'credit' option, when the option is available. At other overseas ATMs you may be required to select 'cheque' option, when the option is available. Where the overseas ATM has no account selection facility, the ATM will automatically select the Cardholders account if the Cardholder proceeds with the transaction.

7.6 Transactions

7.6.1 Authorised transactions

You must ensure that your account has sufficient funds or credit limits in place to cover transaction performed using your card. All transactions need to be approved

by BSP before they can proceed.

For example, if a cardholder uses their card to purchase goods or services, prior to any transaction being completed, the merchant involved in the transaction may obtain an authorisation for the transaction.

The purpose of this authorisation is to confirm that there are sufficient funds available for the transaction. This authorisation may be completed at a later time such as for hotel accommodation and car hire.

We reserve the right to refuse a transaction done using the Card if there are insufficient funds in the account to cover the transaction.

You agree that BSP can debit your Account with all transactions done using your Card.

You can authorise transaction by:

- using your Card alone or together with your PIN,
- presenting your Card to a Merchant and signing a voucher or other documentation acceptable to us authorising the transaction
- providing your Card Details to a Merchant or to any other party to whom payment is to be made, either directly or via a third party, in a manner acceptable to BSP
- arranging an electronic debit, such as a recurring transaction or periodical payment to be paid directly from your Account.

When you authorise a Transaction, you confirm the validity of the transaction.

7.6.2 Mismatched Authorisations

Some merchants may request confirmation that there is sufficient funds in the account to meet the anticipated cost of goods and services they will supply (this is a common practice in hotels and car rental companies).

We treat this request as a 'request for authorisation'. Once the authorisation is made, the available funds are reduced by up to the amount anticipated by the merchant. This means the current balance may not

indicate the correct amount until the authorisation is cleared.

When the goods and services have been supplied the merchant may request a subsequent authorisation for the actual costs. The subsequent authorisation amount may differ depending on the actual cost of the goods and services purchased.

7.6.3 Delayed Authorisations

Transactions performed using the card may take a number of days to be processed and charged to the cardholder account. If we gave an authorisation for the purchase or payment, the current balance may be greater than the available balance.

Please consider this whenever reconciling the account statement and note we will only approve transactions against your available balance.

Transactions performed using the card may take a number of days to be processed and charged to the cardholder account. When we authorise a purchase or payment, the current balance may be greater than the available balance in the cardholder account.

7.6.4 Recurring transaction

You can, at any time, authorise a Merchant to process recurring transactions on your Account by providing your Card Details. BSP is not able to cancel a recurring transaction you set up with a Merchant unless you cancel the authority with the Merchant and the Merchant agrees to the cancellation.

To cancel such an authority, you must notify the Merchant in writing at least 15 days before the next transaction is due to be processed. If the Merchant does not comply with your request to cancel the authority, you must:

- send BSP a copy of your correspondence to enable BSP to dispute the relevant Transaction; or;
- request for card to be cancelled by contacting our Customer Care Team or visiting any BSP Branch.

7.6.5 Reversing a transaction

You may be entitled to reverse the Transaction (charge back) where you dispute a transaction made on your Card by the Merchant.

If BSP is satisfied after investigation that you are entitled to reverse a transaction, BSP will credit your Account for the amount initially debited for the transaction.

You or the Cardholder must immediately notify us of a disputed transaction. There are time limits imposed by Visa card scheme operating rules and if the Cardholder does not notify us within these time limits, we may not be able to reverse a Transaction and the Accountholder may be liable for the transaction.

7.6.6 Liability for Unauthorised transactions

You are not liable for losses resulting from Unauthorised transactions where:

- a) it is clear that the Cardholder did not contribute to the loss;
- b) it is caused by fraudulent or negligent conduct by our employees or agents or Merchants;
- c) it occurs before the cardholder receives the card;
- d) it occurs after we have been notified by the prescribed from of a security issue with the Card and PIN;
- e) it is a result of the same transaction being incorrectly debited more than once to the same account.

You will be liable for losses resulting from unauthorised transaction caused by you if:

- a) you or the Cardholder unreasonably delay notifying us of the security issue with the Card and PIN;
- b) you or the Cardholder engage in fraud;
- c) the Cardholder voluntarily provided their card and/or disclosed their PIN to someone including a friend or family member; or
- d) the Cardholder fails to protect the Card and PIN.

You are protected under the Liability shift rule for any unauthorised transaction(s) should your Card details be

compromised while using your Card on a terminal that is not EMV compliant internet merchant.

7.6.7 Verified by Visa transactions

You are not able to reverse a transaction authenticated using Verified by Visa unless BSP is liable as provided in your electronic Banking Terms & Conditions.

8 FEES AND CHARGES

8.1 General Fees

We reserve the right to impose fees and charges for the provision and operation of the Card. Information about our fees is available on our website, www.bsp.com.fj or you may refer to the “BSP Banking Service Fees & Charges” booklet, as amended from time to time.

We may waive fees under certain conditions. If we do waive a fee or stop collection of a fee to which we are entitled, we have not waived our right to collect that fee at a future time.

8.2 Fees & Foreign Currency Conversions for transaction Performed outside Fiji

8.2.1 Currency Conversion and transaction Fees

Transaction fees and currency conversion fees apply to your Account for transactions made overseas. If the amount of the Transaction is more than your available balance, the Transaction may be rejected and no fees will be charged.

8.2.2 Surcharge

Some overseas ATMs may impose a surcharge when you use their ATM to make a withdrawal. Surcharges will not appear as a separate item on your Account statement, but will be included in the total transaction amount shown.

Where a surcharge is applicable, you will be prompted by the ATM to either accept the fee or cancel the transaction. If you do accept the fee, the transaction will be processed and the surcharge fee will be charged. If you do not accept the fee and cancel the transaction, the surcharge fee will not be charged.

8.2.3 Exchange Rates and Conversions

Visa will convert all transactions in accordance with its rules. Transactions will either be converted directly to the Fiji Dollar or will be first converted from the currency in which the transaction was made to US Dollars and then converted to the Fiji Dollar by Visa.

Transactions performed overseas posted to your account may be different from the amount that was originally authorised.

This difference may be due to fluctuations in currency conversion rates between the date of the authorisation and the date that the transaction clears. The conversion rate used is a wholesale market rate selected by Visa from a range of wholesale rates one day before Visa processes the Transaction. In most cases, the conversion rate applied to refunds of a transaction will be different to the conversion rate applied to the original transaction.

9 STATEMENT OF ACCOUNT

You should keep all vouchers and transaction receipts given to you when using your card. You can use this to verify the transactions on your account statement. You must check your statement of account carefully and immediately notify BSP of any error or transaction you believe is an unauthorised or disputed transaction.

10 ENQUIRIES AND COMPLAINTS

If you need to make an enquiry or lodge a complaint regarding your Card or PIN or any matter relating to the use of your Card, please contact BSP using the contact details provided at the end of these Terms and Conditions.

BSP will endeavor to address your enquiry or complaint immediately.

If for any reason, BSP is unable to do this, BSP will take steps to answer your queries or resolve your complaint within a reasonable time by giving you an expectation of the time when the matter can be resolved.

BSP will keep you informed on the progress of your

complaint handling.

11 CHANGES TO THESE TERMS AND CONDITIONS

BSP reserves the right to vary, change or withdraw a product or product brochure at any time.

BSP may alter these Terms and Conditions at any time by giving not less than 7 days' notice to you, either by:

A 'disruption' is where a service is temporarily unavailable due to communication problems or where a system or equipment fails to function in a normal or satisfactory manner.
