NOTE: A term deposit is a fixed contract and you should carefully consider whether you will need funds prior to maturity. In the event your deposit is broken before maturity, you will be required to pay Break Fee and your interest will be adjusted. The bank may also levy an Early Termination Penalty related to residual term and the prevailing refinance rate.

If applicable, any charges to renewal instructions should be advised prior to maturity/within 5 days of maturity. In absence of disposal instructions, deposit will be automatically renewed, with interest added, for a similar term at the rate applicable at that time.

Any profit / loss incurred as a result of a fluctuation in exchange rate of the currency deposited will be for your care and account.
